Competition for All and Meet Licensing

The mission statement in the ASA's "Competition for All" document published in 2003 states: "**Every swimmer must have the opportunity to swim in appropriate, quality competition to enable them to achieve their true potential**". In order to try and provide "quality competition" at all levels, the ASA have introduced a system of "**Meet Licensing**" to replace Designation of Meets. Licenses will be granted at different "**Levels**" (initially Levels 1, 2 and 3). This requires all Licensed Meets to have entry "**Qualifying / Consideration**" times. Levels 2 and 3 Licensed Meets should also have "**Upper Cut Off**" times as well. By the correct application of these Qualifying and Cut Off times Licensed Meets at the different levels become only available for entry to swimmers of the appropriate ability. Details of Meet Licensing is available at www.britishswimming.org.

Therefore this City of Derby Swimming Club Level 1 Licensed Meet has Qualifying times but no Cut Off times.
